

National Animal Welfare RD&E Strategy 2019

Livestock Export Industry Priorities

Livestock Export RD&E Program

- Partnership between LiveCorp and MLA
- ~ 70% budget allocated to animal welfare

RD&E priorities across the supply chain

- Review of R&D Program recently completed
- Developed R&D blueprint Stakeholder consultation
 - Stunning practices & Halal slaughter
 - Objective measures of animal welfare & management of data collection
 - Heat stress – in-market & on-board
 - Systems / Quality assurance
 - Understanding public expectations of animal welfare & articulating ‘acceptable risk’
 - Pre-export preparation
